**III. Event Planning**

**A. Summer**

1. Curve Game Recap – It was a good game and tickets can be turned in for another game if needed.
2. DelGrossos Summer Picnic- Recap – Went well. Weather was nice. Many thank you and appreciation. Not a lot of left overs. Everyone that was signed up came.

**B. Fall**

1. Pumpkin Decorating/Movie Night – Do we want to do this? Baker Mansion is available Oct 7 or 28 and those are not home game nights. Would just need Pumpkins. We have supplies. No pizza just chips, pretzels and waters. This will be done on October 28 starting at 6 for decorating, tours 6:30 and movie at 7:15. After the pumpkin decorating there will be movie night open to the public. Depending on how many people Youth League can sponsor some for the tour of the mansion.
2. Trunk or Treat – All committees are going to have a car. It can be a BDAP vehicle or Michaela's. There will be voting on the best car. The theme can be The Haunted Mansion. Come prepared at the next meeting with a theme.
3. Pumpkin Fest – October 15 Is it beneficial to Youth League to do this? What is the most cost effective? Pretzels, maybe a small bag of candy, for the kids. If Youth League doesn't do this BDAP will take care of it.

**IV. Fundraising**

- A. **Krispy Kreme** - summary – Think it went well. Made 709.57. Was easy to organize and get them sorted out. It was easy for us to order and pick up. No complaints from anyone who ordered. Will do again.
- B. **Other ideas** – Gardeners and Beef Sticks seem to be popular. With Gardeners will try to get them for the November meeting. May do Peanut Butter Melt A ways and Pretzels.

V. **Annual Dinner Nomination** – Will be nominating the committee itself for the Youth Advocacy Award. Ryan Custead and Zion Lutheran Church for the Ray Shaw Community Award and Williamsburg Community School District for
